# Hearing Better... Hearing Clearer

## *Your hearing is important.*

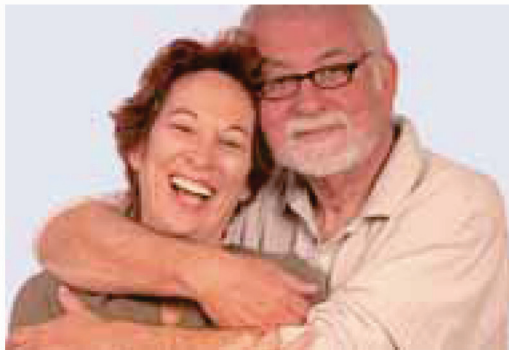

Being able to communicate with your friends, family and business associates by hearing them better and clearer is what our Dignity phone series is all about.

## **We make hearing better and hearing clearer a part of our technology.**

Our Dignity Series feature-rich phone not only will be part of helping you hear better and clearer, but we want to help you see better too.

We have provided an easy to read, large lighted keypad and LCD backlit display. For any type of emergency, we have provided (3) three one-touch emergency buttons.

The Dignity Series...helping you hear, communicate and feel safe just got better.
